A description of the boundaries or service area of, and the services provided by, the special district.	
	The Naples Reserve CDD encompasses an area of approximately 688 acres of land wholly within the unincorporated area of Collier County, Florida. The land within the District is approximately 1.5 miles east of CR-951 and 0.4 miles north of U.S. 41.  The Naples Reserve CDD was established to plan, construct, acquire, operate and maintain systems and facilities related to potable water, wastewater and irrigation systems, earthwork and clearing for storm water management, and a storm water management system. The District's actual maintenance responsibilities will be limited because the District's sanitary sewer and potable water facilities will, ultimately, be conveyed to the Collier County Water-Sewer District for operation and maintenance, while others will be performed operation and maintenance agreements with homeowner association(s).
